

First Run: October 2010

Monthly Meeting Reminder: We will have our October meeting on Wednesday, October 6 at Monical's Pizza in Lafayette in the K-Mart Plaza at 7:00 P.M. All are welcome to attend.

Lafayette Ski and Snowboard Club Youth Soccer Team: Our U-10 boys soccer team in the Greater Lafayette Recreational Soccer Alliance is doing well with a 3-0-1 record and has averaged an impressive 5 goals a game. Check out <http://www.glrsa.org/> for dates, times, and locations of future games.

Christmas Parade: Yes, it seems too early to be discussing Christmas when Fall has only just begun. But the parade will be held on Sunday, December 5, and it is not too soon to start thinking about ideas for our club's presentation or to set aside that afternoon for marching in the parade. More details will follow as they become available.

Trip Update: We already have 16 spots filled for the Big Sky trip, but we'd like to have at least 4 more to fill our (currently) 20 allotted spots. In addition to Big Sky, we have several spots available for our WLCSC/Purdue Spring Break trip to Steamboat Springs, CO. Both will be great trips well worth the time and the money. Details for all winter trips are below.
